Dedicated Conferences

With various conferences that varies from strategic, business to technical covering E&P Drilling, Pipelines and strategic conference that focuses on business opportunities in North Africa. NAPEC offers a unique opportunity to learn best industry practices and to network with industry decision makers who represent NOCs, IOCs and service companies.

Set across 3 days, 30 sessions, over 150 speakers, NAPEC 2018 Technical and strategic Conference brought together experts from the entire upstream, downstream and midstream oil and gas industry and provided the perfect platform to gather the latest insights into project technical challenges and business opportunities in North Africa and share technical expertise and knowledge exchange.

PARTICIPANTS TESTIMONIALS

Mohand Amziane TAQUINET

Business Development Director, OILSERV

“ Thanks for the whole NAPEC’s Team for the Good organization of the conference and the exhibition and their full availability, adding to the excellent quality of attendees and exhibitors which made the Event a real success.

NAPEC Allows us to build a New network with Operators and Service Companies which could Help us to open new partnerships. ”

Meriem BERTOUCHE

CEO, Badley Ashton & Associates Ltd

“ Thank you very much for a very smooth organisation of the NAPEC 2018. It was a great honour for me personally and for Badley Ashton to be part of the technical program. We hope that we have delivered a good talk and we will be very keen to contribute again in the future. It was a great pleasure to meet industry peers and to discuss development plans in Algeria and other North African countries. We look forward to meeting you again next year. ”

Jalel SMAOUI

Head of Strategy & Development, ETAP

“ North Africa Petroleum Exhibition & Conference – NAPEC 2018, once again, brought together leading representatives from North Africa, from Sub-Saharan Africa and companies from around the world. The conference was well organized and drew participation from the major actors in North Africa Oil & Gas value chain, from policy makers to operators and servicing companies.

As representative of ETAP, I have been one of the speakers, and participants of the International Oil and Gas Exhibition and Conference and for the second time I witness this unfaltering interest in the event from industry professionals. Every year, the number of exhibition and conference participants just grows and grows and the topics discussed are becoming more salient. Thank you for the opportunity and the Excellent Job. ”

Sonia KELLEHER

Executive Assistant to President, Anadarko Algeria Co LLC

“The NAPEC conference is a high quality and well organised event that provides a great opportunity to network with key leaders from SONATRACH, ALNAFT, the Energy Ministry, and peers in the upstream oil and gas industry.”

PARTICIPANTS TESTIMONIALS

Fethi ELAROUCI

Senior Geoscientist IV Reservoir Engineer MENAT, Algeria, Baker Hughes, a GE company

“ NAPEC 2018” was a great opportunity to share and discuss about new technology and knowledge in oil and gas industry. The multi participation of both oil and service companies also the presence of local and international professionals and geo scientists gives a high enrichment of topic level. We would like to thank the organization staff for the great success of this event and hope the next edition in 2019 will be more exciting. ”

Mohamed SI TAYEB

Business Development Director Africa Region

“ NAPEC 2018 is the most essential event of its kind in the NAF region, taking place in one of the most important energy country in the world. NPS has found NAPEC to be one of the best attended exhibitions in the region and is proud to attend. Excellent organization and high quality of participants. ”

NAPEC 2018 was very successful and active for NPS with regular stream of visitors and delegations from SONATRACH and its affiliates and from Libya, Tunisia, Mauritania & Niger. We continued to tell our evolving story including some of the technological and operational advances we have made. It is central to NPS' commitment of maintaining our close relationships with our customers in the NAF region.”

Luc PERRAD

Manager ExParTech

“ The organization of the Napec exhibition and the opportunity to present papers in dedicated conference rooms give good opportunities to introduce innovative technologies in Algerian and African Oil and Gas industries. ”

— PARTICIPANTS TESTIMONIALS

Antonio Martin PASCUAL
Oil, Gas & Chemicals Head
of Reserves Evaluation and
Audit, SGS

“ NAPEC 2018 conference was a great opportunity to show SGS innovative solutions for improving O&G field operations. It was a true honor to present at the conference and to have the opportunity to meet with industry peers throughout the event. We are already looking forward to attend future editions of the event.”

Mekan Moussa SISSOKO
General Secretary Ministry of Mines
and Petroleum of Mali

“ Participation of the Malian delegation at NAPEC 2018 was a great opportunity for the Authority for the Promotion of Petroleum Research in Mali (AUREP), to showcase its activities regarding the promotion of its hydrocarbon domain. The welcome and support given to the Malian delegation was highly appreciated and reinforces our unwavering commitment to renew our interest for NAPEC event. ”

Henry DELAFON
Managing Director Total E&P Algérie /
Managing Director Maersk Olie Algeriet A/S
Total Country Chair

“ The NAPEC conference of 2018 was a huge success, and it was a great opportunity for us to meet with the Algerian authorities, with Sonatrach and with peers in the industry. The conference was very well organized and allowed fruitful interaction between the participants. All key players in the industry were present. ”

PARTICIPANTS TESTIMONIALS

Ali GHOLIPOUR

Principal Geologist, Energy Consultancy,
Lloyd's Register

“ I want to take this opportunity to thank the organizer of the NAPEC conference for their excellent job in running this successful oil and gas event. This event provided a unique opportunity to meet and share knowledge with many key technical leaders of Sonatrach and some IOCs and NOCs representatives from the rest of world's oil and gas industry. Lloyd's Register absolutely, looking forward to attending the next year NAPEC conference.”

Abdulqadir ALJALALI

Advisor, Exploration and Production
Department, NOC – Libya

“ The NAPEC Conference and Exhibition was a good opportunity for hydrocarbon industry professionals from different segments to meet and share knowledge and experience through variety of technical presentations, panel discussions as well as talking to presenters at the Exhibition.

The conference provides information, enhances knowledge and encourages the investment to develop the hydrocarbon resources.

I would like to appreciate and thank the NAPEC 2018 Management and all personnel involved for their efforts to make NAPEC 2018 real success. All the best”

Issa ABOUBACAR

Deputy General Secretary, Ministry
of Petroleum of Niger

“ The Nigerien delegation participated to NAPEC 2018 conferences and exhibition with great interest.

We were excited by the presentations of the different topics and pannel discussions at the conference, many technologies and services were showcased by high level participants at the Exhibition.

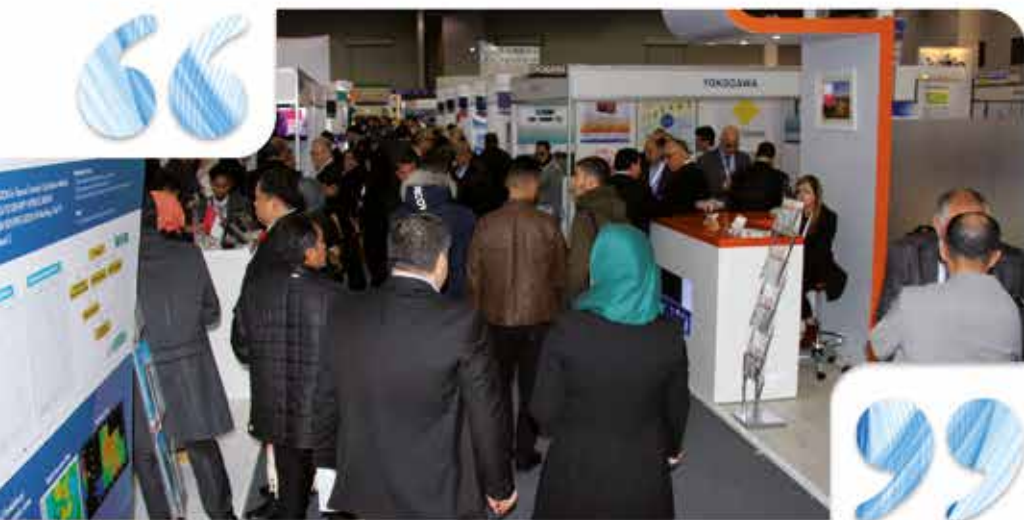

We found this event very interesting for sharing knowledge, and network with a decision makers, This meeting make us discover the Algerian and north africa oil and gas potential and activities. Finally, we express our interest to be part of NAPEC every year to follow up the the oil & gas industry technicals and strategics developments in Algeria in particular and around the world in general. ”

Laurent VALVASSORI

Africa Sales Director, Africa sales manager, 3X Engineer

“ NAPEC 2018 was a great experience and an opportunity to met end users as well as potential local partners.

The conference open some doors to unexpected business. Good organisation, good marketing. ”
